Date: 8th October, 2007 at 6.30 PM, Gulmohar Hall,
India Habitat Centre, Lodi Road, New Delhi.

The Oceanic Group (TOG) - a non profit society with special focus on awareness building on Environment & Health issues launched a bimonthly Interactive Seminar Series on Climate Change in collaboration with India Habitat Centre (IHC) on 4th June 2007. **The Third Edition of this series will take place on Monday, 8th of October 2007.**

Mr. Surya P Sethi, Principal Advisor (Energy) Planning Commission is the chairperson & **Dr Ajay Mathur**, Director General; Bureau of Energy Efficiency (Statutory body under Ministry of Power, Government of India) is the Distinguished Speaker for the 3rd Seminar which focuses on Energy Conservation and Renewable Energy. **Mr Ravi Capoor**, Executive Director; Petroleum Conservation Research Association (PCRA) will deliver the Concluding Address cum Future Action Plan. This will be followed by Discussion/Q&A session. The programme would roughly be of 90 minutes.

The presentations at the seminars would be edited and compiled in the form of a book to be launched on the next World Environment Day on 5th June 2008. The distinguished speakers at previous two seminars were Mr Nitin Desai, SG, WSSD 2002 & former Under Secretary General - UN, Mr Suresh Prabhu, MP & former Environment Minister, Dr Prodipto Ghosh, former Environment Secretary, Mr Bhurelal, Member UPSC and Ex Chairman, EPCA & Prof Syed Hasnain, Sr Fellow, Centre for Policy Research, Ex VC, Calicut University, leading expert on Glaciers.

We plan to take forward the awareness and interaction based programmes to schools & colleges and further down to community in the urban and rural areas in the next few weeks. This will be followed up with action to combat Climate Change simultaneously. Your suggestions and comments are welcome.
